

HOI RIDE+

KETTLER

HOI RIDE+: Stone EM1058-400 | Blueberry Green EM1058-900

Ergometer-Level: Advanced

-
- Induction brake for precise power setting in 5 watt levels from 25 to 250 watts (rpm-independent)
 - Maximum power 350 watts (rpm-dependent)
 - 8 kg Flywheel
 - LCD screen for performance data display
 - Full connectivity for your wearables and selected apps via Bluetooth and ANT+
 - Data sharing/HOI Cloud option via WiFi
 - Mobile phone and tablet holder

HOI RIDE+		
Identifiers	Model name	HOI RIDE+
	Category	ERGOMETER, Class SA
	Trisport item number	EM1058-400 (Stone) EM1058-900 (Blueberry Green)
	EAN number	7640119482095 (Stone) 7640119482101 (Blueberry Green)
Dimensions	Dimensions when set up LxBxH	110x51x155 cm
	Packaging dimensions LxBxH	107x25,5x71 cm
	Product weight	41 kg
	Maximum load	130 kg
Performance	Ergometer-Level	Advanced
	Resistance system	Induction brake system
	Maximum power	250 watts (rpm-independent) 350 watts (rpm-dependent)
	Drive system	Belt drive with safety freewheel
	Flywheel mass	8 kg Flywheel
Training	Resistance levels	25-250 Watt in 5 Watt steps (rpm-independent) up to 350 Watt in 20 steps (rpm-dependent)
	Training mode	Selectable whether manual (rpm-dependent) or automatic (rpm-independent)
	Number of training programmes	20 (free scalable)
	User-specific programmes	yes
	Heart rate programme (HRC)	yes
Training computer	Display	LCD Screen
	Performance measurements (displayed)	Time, distance, energy consumption, power in Watt, pulse rate, cadence, speed, load level, preset options, average values, training profiles
	Number of user profiles	4 Users + Guest
	Available languages of the menu navigation	Display of training values according international standard
	Connectivity	BLE (Bluetooth Low Energy) and ANT+ to connect to chest straps and wearables, connectivity to FTMS-based fitness apps (interactive), data sharing-option/HOI Cloud
Comfort	Low access	yes
	Handlebar	Inclination angle adjustable with quick release
	Saddle	Vertically and horizontally adjustable
	Body height min/max	approx. 150 - 200 cm
	Transport castors	yes
Features	Floor levellers	yes
	Pulse monitoring	yes (via chest/arm strap, not included)
	Pedals	Pedals with adjustable straps
	Water bottle holder	yes, with variable fixing
	Smartphone/tablet holder	yes
	Power supply	Mains connection (230V)/mains adapter (24V/3A)
	Colours	Stone, Blueberry Green
